

Hallo Professor Merk!

Eine Kollegin fand heute in Ihren "Aufgaben zum Geld" bei Frage 279 folgenden Text:

"Remind that management faults are the first cause of troubles in a firm, and to avoid this at the beginning never appoint individuals trained by subprime-professors as the writer of these exercises into a higher level in any sound firm."

Meinen Sie das denn wirklich?Kommentar: Where is your problem?
Far be it from me to deny that I am a subprime-professor.
